Journey to the Cross - at Good Shepherd Church!

SACRED DANCE IN SUNDAY WORSHIP

On Sunday, February 7, the Sacred Dance Ministry of Hope College will introduce prayer in motion to our children during Sunday School. During Sunday worship we will learn simple arm movements for the Lord's Prayer, helping us put the Word of God into bodily movement and experience what it's like to move in the Spirit. As a ministry sponsored by Hope, Sacred Dance seeks to glorify God through movement, seeking to unite dance and worship, by bringing their ministry to local churches and Christian events. The dancers are blessed to have brought this ministry to many area churches, and hope you share their delight with how God communicates through them and to them.

THE LUTHERAN MAGAZINE

Good Shepherd offers members of the congregation a free subscription to *The Lutheran* magazine. As good stewards, however, we provide them only to those who request one. To continue receiving the Lutheran on us, sign up at the activities table, email nancy.gslc@sbcglobal.net, or phone us at 772-4075.

BUILDING ACCESS

Please note that all requests for building reservations and keys must be made through the church office during office hours. During weekday office hours, Nancy or Pastor Jim will help you sign off when receiving or returning a key; any member of the Building and Structures Committee will help you Sunday mornings.

EASTER EGG HUNT

We're planning a community Easter Egg Hunt Saturday, April 3. More details will come as the time draws nearer. There are many ways you can participate in this outreach event:

- You can help with one of the activities that day. There will be a craft or two, cookie decorating and lemonade.
- You could donate items to make this day a great success. The biggest thing now is to start thinking of items to fill the plastic eggs, like small trinkets the size of a quarter, stickers or temporary tattoos. Candy does not need to be seasonal, you can purchase one bag here and there starting now. Fruit snacks or small packaged treats like that are welcomed too! (We're all set with plastic eggs themselves, though!)

Sign up sheets for more specific items will be available closer to the date. Interested in helping out? See Jessica Underhill on Sunday mornings or contact her at 772-2745 or brianjessunderhill@yahoo.com.

NURSERY POSITION FILLED

Stephanie Rice and Nancy Lutz have been hired to job share the position of Nursery Caregiver. Stephanie originally held that position, before turning it over to Shannon Curtis, and will be the primary staff in the nursery. Nancy Lutz is her mother, and an experienced child care provider, who will fill the position when Stephanie is unavailable. We have also formed a Nursery Support Committee, to provide oversight to that ministry.

Thank God for You!

We want to thank everyone for the cards, calls and prayers after the death of Jack's mother Julia. We appreciate your thoughtfulness.

Jack & Carla Komarek & family

Dear Good People at Good Shepherd,

I want to personally thank you for making a donation to CASA. Of the many, many wonderful non-profits to support, we especially appreciate that you have chosen CASA and our work with community children.

We've had a very strong fall semester. There are now 110 students in the program, along with 110 volunteer tutors. On several of our program days, we've had people tour CASA to see it in action -- no frills, no special presentations -- just CASA. And time after time, the tour groups have commented on noticing the "intensity of the work being done," along with the clearly apparent "bond between the tutors and their students." Those two features of CASA make for great results.

Again, and with deep gratitude, thanks for being part of our great results by choosing CASA.

Fonda M. Green, Executive Director

Dear Friends,

I cannot thank you enough for your generous gift to Holland Rescue Mission this Christmas season. Your gift will be used to meet the needs of men, women and children.

At the Mission, they are hearing about the love of Christ daily - and experiencing it each time they receive a hot meal, warm bed and helping hand.

May God richly bless you, as you are surely blessing others!

You are a blessing.

Darryl Bartlett, Executive Director

Food collection for the local food pantry is located between the double doors in the entranceway. Brown paper bags will be available for your convenience, with a list of necessary items, ideas and suggestions for a family of four.

All women of Good Shepherd are invited to help plan our annual "Women's/Girls Tea" scheduled for Saturday, April 24, 2010. If you attended last year's "Gals & Dolls" you know how much fun it is and how much support there is. Please prayerfully consider being a part of this planning team. It is a rewarding experience. Sign up at the activities table or contact Ellie Buggeln for more information at 399-0591.
